

IEEE CommSoc Distinguished Lectures on 'Internet of Things' Asia-Pacific Tour, Sept. 23- Oct. 9, 2016

Anura Jayasumana, Professor, Electrical & Computer Engineering
Colorado State University, Fort Collins, CO80525, USA

The tour included five IEEE CommSoc Distinguished Lectures as follows. One of them was also a keynote speech:

1. **Distinguished Lecture of the IEEE Communications Society, 'IoT: A pervasive technology for innovation,'** IEEE Kerala Chapter, Cochin University of Science and Technology, Cochin, Kerala, India, 26 Sept. 2016.
2. **Distinguished Lecture of the IEEE Communications Society, 'IoT: A pervasive technology for innovation,'** IEEE Kerala Chapter, Adi Shankara Institute of Engineering & Technology, Kalady, Kerala, 26 Sept. 2016.
Participants and organizers:

3. **Distinguished Lecture of the IEEE Communications Society, 'IoT: A pervasive technology for innovation,'** 27 September 2016 Tuesday at 5.00 PM, National Institute of Technology, Calicut, Kerala, India, IEEE Communications Society Kerala Chapter and IEEE Malabar Subsection.
Participants, DL and recognition:

4. **Distinguished Lecture of the IEEE Communications Society, 'IoT A pervasive technology for innovation,'** IEEE Kolkata Chapter & Meghnad Saha Institute of Technology, Kolkata, W. Bengal, India, 28 Sept. 2016.

5. **Distinguished Lecture of the IEEE Communications Society and Keynote Speech IEEE TechSym 2016, 'IoT A pervasive Technology for Innovation,'** IIT Kharagpur, India, 30 Sept. 30 - 2 Oct. 2016.

Speaker, participants and recognition:

In addition to the DLs, in response to the invitation of the local organizers and others in local technical communities, I also made **five additional presentations (two advanced research seminars and three technical seminars)** during this tour. They were held at

- Jadavpur University, Kolkata (09/28)
- Indian Institute of Technology, Kharagpur (10/01)
- University of Moratuwa, Sri Lanka (10/05)
- Institute of Engineers Sri Lanka, Colombo (10/05)
- National Engineering Research & Development Center, Ja-Ela (10/05).

These were not sponsored by IEEE local chapters, but received significant participation of IEEE members and students. The total participation at these DLs and seminars exceeded six hundred. I also got the opportunity to interact with a large number of practicing engineers, researchers, graduate students and undergraduate students.
