

Sediment-related Disasters

Dr. Pierre Y. Julien
Dept. of Civil and Environmental Engineering
Colorado State University, Fort Collins

Disaster Prevention Workshop
Gadjah Mada University
Yogyakarta, Indonesia
July 24, 2009

Colorado State University
Knowledge to the Power

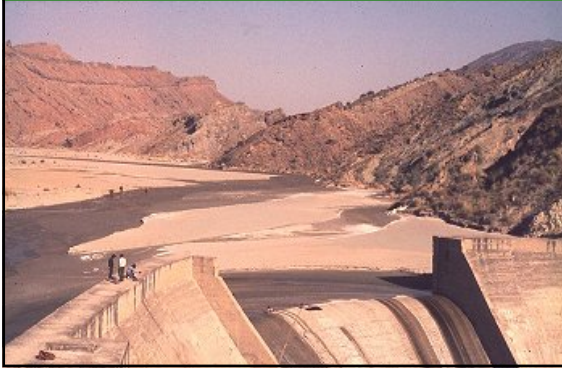

Bengal and Indus

Imha reservoir

Impact of Sedimentation

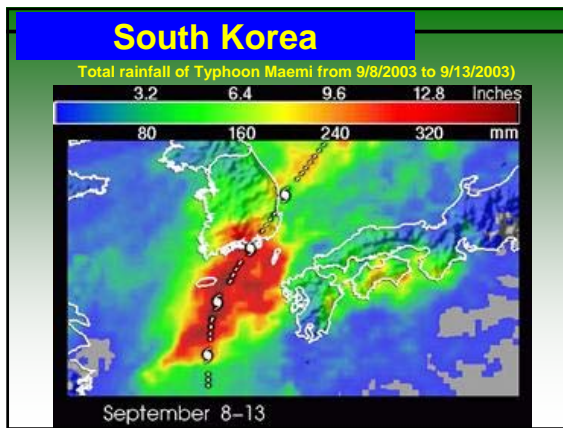

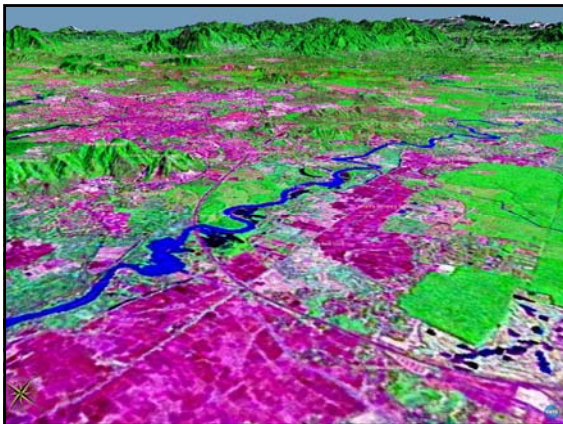

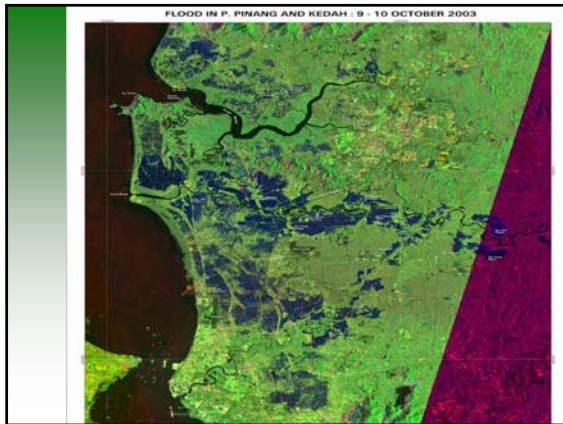

Opportunities

Opportunities for a better future:

1. Advances in remote sensing and monitoring;
2. Advances in computer modeling;
3. International collaboration for better design...
