

**Department of Electrical & Computer Engineering  
Colorado State University**

**Procedure for Establishing an Independent Study or Undergraduate Research Course**

1. The student desiring a course arranges a meeting with one of the faculty in the particular field in which he/she desires to pursue a special study.
2. Student and faculty adviser discuss the special study interest of the student and agree on subject, work involved, credits to be allowed, laboratory equipment to be used, semester in which the study will be made and any other items necessary to a clear understanding of the subject.
3. Student prepares and submits a "Proposal for Independent Study or Undergraduate Research Course".
4. Upon approval of the proposal, the student will be so advised and will be permitted to register for the course.

***Note: The above actions must be started early enough to ensure completion in time to allow registration for the appropriate semester.***
