MECHANICAL ENGINEERING CURRICULUM GUIDE (129 CREDITS)

NOTE: In order to graduate, students must earn a minimum of a 2.0 cumulative GPA as well as a 2.0 minimum within the following areas: all AUCC courses, and all math, science, and engineering courses. It is highly recommended that students review their Degree Progress Audit at least once each semester in order to track their progress toward graduation. Additionally, most students graduate in 5 years. Students who plan to graduate in 4 years should anticipate summer courses in order to build a balanced schedule.

All University Core Curriculum (AUCC)

TE: Technical Elective
A/H: Arts/Humanities (AUCC 3B)
SOCIAL: Social/Behavioral Sciences (AUCC 3C)
HIST: Historical Perspectives (AUCC 3D)
GLOBAL: Global & Cultural Awareness (AUCC 3E)

All courses offered are 3 credits except where noted.

NOTE: GRE if interested in graduate school.

Consider the Integrated Degree Program (IDP+), the accelerated Masters path. If staying at CSU for Master of Science (M.S.)
