MECHANICAL ENGINEERING CURRICULUM GUIDE (129 CREDITS)

NOTE: In order to graduate, students must earn a minimum of a 2.0 cumulative GPA as well as a 2.0 minimum within the following areas: all AUCC courses, and all math, science, and engineering courses. It is highly recommended that students review their Degree Progress Audit at least once each semester in order to track their progress toward graduation. Additionally, most students graduate in 5 years. Students who plan to graduate in 4 years should anticipate summer courses in order to build a balanced schedule.

We abide by the Principles of Community
Inclusion ∙ Integrity ∙ Respect ∙ Service ∙ Social Justice

Engineering-related summer job or internship recommended

Consider the Integrated Degree Program (IDP+), the accelerated Masters path. If staying at CSU for Master of Science (M.S.)

GRE if interested in graduate school

Lab course

Offered 1x a year

prerequisite

corequisite

325, 324

Must have one or the other complete prior to taking MECH486A/498A

TE: Technical Elective
A/H: Arts/Humanities (AUCC 3B)
SOCIAL: Social/Behavioral Sciences (AUCC 3C)
HIST: Historical Perspectives (AUCC 3D)
GLOBAL: Global & Cultural Awareness (AUCC 3E)
