<tbody>
<tr>
<td><strong>Study Engineering in Paris, France</strong></td>
<td>Semester or summer program available. Apply by October 30, 2019. Funding available.</td>
<td>READY TO APPLY? Contact Education Abroad Coordinator Kiara Vance at <a href="mailto:kiara.vance@colostate.edu">mailto:kiara.vance@colostate.edu</a></td>
</tr>
<tr>
<td><strong>Study Engineering in Rome, Italy</strong></td>
<td>Semester or summer program available. Apply by April 1, 2020. Funding available.</td>
<td>READY TO APPLY? Contact Education Abroad Coordinator George Agras at <a href="mailto:George.Agras@colostate.edu">mailto:George.Agras@colostate.edu</a></td>
</tr>
<tr>
<td><strong>Prosthetic Innovation in Ecuador (Biomedical Engineering)</strong></td>
<td>This summer CSU faculty-led program will provide students with an introduction to biomedical innovations. Students will learn about prosthetic design and fabrication, function, and delivery to difficult-to-reach populations. May 22-31, 2020.</td>
<td>Informational Flyer More Information</td>
</tr>
<tr>
<td><strong>Paris Engineering, Spring 2020</strong></td>
<td>Set yourself apart from the competition by taking engineering courses abroad. Paris is an ideal destination for engineering majors, a city where many scientists and mathematicians have made significant contributions to the field. You’ll experience Paris as a learning lab through site visits and lectures which complement your classroom curriculum. CSU students may also receive up to a $2,500 grant that they can apply towards this education abroad opportunity for the spring 2020 semester.</td>

The Collaborative for Student Achievement

Now accepting applications for a passport scholarship if you meet the eligibility requirements below. Recipients of the passport scholarship will be invited to attend a passport fair on September 25, 2019 in the Lory Student Center Grey Rock Room on the CSU Campus where they will receive a check to cover the cost of the passport. If you meet the eligibility requirements, please complete the CSU Passport Scholarship Application by the early application deadline of May 1, 2019 or the final application deadline of September 9 (pending scholarships available). Applications will be reviewed on a rolling basis.

Student Eligibility:
- U.S. Citizen
- Does not currently hold a valid U.S. Passport (with the exemption of Official Passports issued as part of military service)
- A current CSU undergraduate or graduate student in a degree seeking program
- Demonstrated Financial Need
- Must be available to attend the passport fair on the CSU campus on September 25, 2019.
