Announcing the US DOT Women's Internship Program, a nationwide effort to encourage more young women to pursue careers in transportation.

Open to female college students across the country, this program places qualified young women in transportation related internships in their areas.

Founded at Spelman College, these internships provide real-world experience to students seeking to become the next generation of transportation leaders.

The expanded effort supports President Obama’s mission and work of the White House Council on Women and Girls.

PAID SUMMER INTERNSHIP
For Women Interested in Careers in the Transportation Industry

The U.S. Department of Transportation is offering a summer internship for a female college student interested in careers in the transportation industry. USDOT will work with the candidate to place her with an appropriate agency, project, institution, contractor or association within Colorado.

To Qualify
- Candidate must be female;
- College student enrolled during the January 2016 academic semester and returning in the fall of 2016;
- Have a cumulative GPA of 2.8.

The Internship
Start Date: June 1
Duration: 8 weeks/320 hours
The start date is tentative and can be adjusted. However, the intern must complete 320 hours of work.
COMPENSATION: Scholarship made in four payments, one for every 80 hours worked.

To Apply
- Complete the USDOT Women in Transportation application.
  (http://www.westcentralsbtrc.com/Services.html)
- Submit a letter of recommendation from a college professor.

Send Application Materials to:
