The Class of '53 sponsored the Homecoming Dance and Football Raffle which began the year's social season on October 19. Close on its heels came the play, "Summer Scene", directed by Mrs. Mary Thomas. Then followed a series of lesser events leading up to the Junior-Senior Prom, also sponsored by the Juniors. This dance, so well planned, fulfilled all dreams completely. Miss Gwynne Robb and Mr. Harris Dersham are sponsors.

...sixteen of the present twenty-one seniors entered EPHS to begin their last four years of high school. Dink Overstep joined the class when they were sophomores. As Juniors their membership was advanced by the enrollment of Betty Johnston and Bill Berggren. Art Batt and Larry Sokoloski came to Estes in 1951 to graduate with the seniors of '52.

Recognition must be given to three of these '52 seniors. Lynn Kindred, Vivian McKinney, and Jim Myers have been fellow-classmates for the twelve years of grade school, junior high and high school in Estes Park.

These graduates initiated their freshmen year with an outstanding party, "Tropical." To show alums how welcome they are to return to high school, this class made the 1950 homecoming a huge success. To climax this class's junior year, they sponsored the junior-senior prom, Rainbow Paradise.

The following and final year of these honored few was socially as well as educationally successful. Sponsoring the annual amateur night and presentation of talents in the senior play on April 4 made the fact evident that these seniors have made the goal of being competent workers. These twenty-one students ended their years together by a three-day trip in May.

High school days have ended for these graduates. Some of them will further their education, some will immediately enter the business and industrial world, while others will serve Uncle Sam.
