

# CIVIL AND ENVIRONMENTAL ENGINEERING

## **PART 1**

**Please use this form to identify some of the areas that may have affected your academic performance. Please print this and circle the items that apply on the first page, and then bring this sheet to your SUCCEED appointment. Be sure to complete page 2, as well.**

### **Circle any/all that apply:**

1. I spent too much time studying for one very difficult course and fell behind in everything else.
2. I felt I couldn't keep up with the rest of the class.
3. I didn't understand what the Instructor was talking about.
4. I had difficulty doing well on exams, even though I thought I knew the material.
5. I needed tutoring but didn't use the resources available.
6. I procrastinated, and then I didn't have time to finish my school work.
7. I did not turn in all of the homework and laboratory assignments.
8. I have a hard time with writing assignments.
9. English is not my native language and I had difficulty following my classes.
10. I had a difficult time with math and science (physics and chemistry) courses.
11. I had a difficult time with engineering courses.
12. I took too many courses.
13. I didn't attend class regularly and I didn't take good notes when I did attend.
14. I missed classes because I was sleeping.
15. I studied notes from the class but still did poorly.
16. I had personal problems that interfered with my ability to concentrate or complete my work.
17. I felt isolated, anxious, tired, depressed, and or unable to focus on anything for sustained periods of time.
18. I had little or no motivation to complete assignments or even to attend class.
19. I had a crisis and/or death in my family.
20. I suspect I may have a learning disability.
21. I went out a lot and partied with my friends to the extent that I couldn't always focus on my schoolwork.
22. I wasn't motivated because I don't know why I am here, or what I will do with a college degree.
23. I was sick for several weeks during the semester and I missed a lot of work.
24. I am not sure that I want to major in engineering.
25. I should have dropped a class earlier, but I wasn't sure who to talk to about dropping the class.
26. I have had difficulty finding the information & help that I need.
27. I had financial pressures and/or worked too many hours at a job.
28. I have a difficult commute.
29. I had significant problems with my living situation.
30. I had problems with the instructor.
31. Other (explain below)

**PART 2**

**Please think about some of the changes you want to make and possible resources. We will also discuss this together.**

**Change I intend to make:**

**Resources I can use:**
