The Career Management Center has suggestions for professional attire.

### Event Overview

#### Presentation:

Gas turbine fuel flexibility advancements

**Leonel Arellano**

Group Manager  
Combustion Technology Solar Turbines

#### Panel: Experience at Solar Turbines

**Kingsley Atombob**

Development Testing Engineer Internship  
May 2024 - August 2024

**Abby Rupeka**

Turbomachinery Products and New  
Product Introduction Engineering Intern  
June 2025 - August 2025

**Rachel Lorenzen**

Turbomachinery Products Mechanical  
Design Intern  
June 2025 - August 2025

#### Tour: 3.5 MW Centaur® 40 generator

**Dr. Bret Windom**

Chemical Energy Conversion Laboratory  
Associate Professor, Mechanical Engineering

**Andrew Zdanowicz**

Research Associate  
Engines and Energy Conversion Laboratory

**ENERGY INSTITUTE**  
**COLORADO STATE UNIVERSITY**

**Solar® Turbines**
