

Small group meetings on Mon Sept. 8 and Tue Sept. 9 in the Engineering Building

Monday 9-12:30 - Engineering 121

Tue 9:12:30 - C101B

Walk North on the first floor of the LSC until you get to the last door north. Exit through the door and enter the Engineering Building.

Walk toward Physics. You will find Engineering 121 on your left when you reach the pendulum on your right.

For the Tue meetings, use the same route. After you pass the Electrical and Computer Engineering office, take a left on the hallway, and then use the first hallway on your right to access C101B
