With an AWWA Individual Membership:

Stay informed

Stay current on issues impacting the industry with top-rated water periodicals, scientific and technical journals, manuals and books. As part of the AWWA community, you receive local, national, and global water industry news, updates, and insights to keep you up-to-date on breaking industry news.

Get the best programs and resources

From AWWA's Annual Conference and Exposition (ACE), the most comprehensive and diverse water conference in the world, to AWWA Standards—providing requirements for design, installation, performance, and manufacturing of products used in the water industry—AWWA programs and resources are the best in the water profession.

Help advance the water industry

AWWA acts locally, nationally and internationally to advance and protect the interests of the water community. AWWA helps you reach out to consumers and build relationships with your community.

Our Mission

AWWA is the authoritative resource for knowledge, information, and advocacy to improve the quality and supply of water in North America and beyond. AWWA is the largest organization of water professionals in the world. AWWA advances public health, safety and welfare by uniting the efforts of the full spectrum of the entire water community. Through our collective strength we become better stewards of water for the greatest good of people and the environment.

* All members outside of North America (regardless of grade), student members, and members with APO/FPO addresses will receive e-periodicals only. Operator members receive Opflow online. Print periodicals may be purchased for an additional fee.

** Available to Individuals and Service Providers for an additional cost with member discount.

*** Available to Utilities and Service Providers as part of their customizable benefits, according to their size. Utilities receive seven preselected standards.

Who's an Individual Member?

Individual Active Member

An individual, such as a water utility employee, municipal official, public health professional, engineer, scientist, educator, consultant, or other person interested or serving in the field of water supply.

Receive *Journal AWWA*
and *Opflow*.

Operations/ Administrative Member

An individual employed in any operating or administrative position by a water utility that has 1,000 or fewer service connections or any employee below the supervisory level in a utility that has more than 1,000 service connections.

Receive *Opflow* online.

Student Member

A student enrolled in a minimum of nine credit hours (or the equivalent) of accredited classes. AWWA requires proof of student status.

Receive *E-Journal* and
Opflow online.
