

IDP+ Mechanical Engineering Application Instructions

Mechanical Engineering Application Instructions

Step 1—Apply Online

1. [Apply Online](#) for Spring 2017 or future term. Submit the Colorado State University for the Graduate School along with a \$60 domestic/\$70 international non-refundable application fee.

Step 2: Submit Application Materials

1. Departmental application (questions available via the online application)
2. Upload professional resume or vita
3. Letters of Recommendation: Four professional recommendations are required. They must be uploaded directly to the online application system from the recommending party. Recommendations should be from individuals who can accurately evaluate your skills as a student, engineer, scientist, or researcher.

Notes:

For any documents that cannot be uploaded, submit paper copies directly to the Office of Admissions at:
Graduate Admissions
Colorado State University – Office of Admissions
1062 Campus Delivery
Fort Collins, CO 80523-1062

International Applicants: [Immigration Document Request Form](#) International applicants must also complete the Immigration Document Request Form. It is recommended that this form be provided at the time of your

application; however, if necessary, it may be provided when you receive notification of your recommendation for admission.

Check Your Application Status

[View the status of your application](#) at any time to ensure your application checklist is complete or check on updates.
