(P) Project Component

**Important Notes:** AUCC 3E- Global and Cultural awareness can often be fulfilled by the Education Abroad Experience. CSU summer course offerings are subject to change. Students can take summer course(s) at a different institution. If taking a course at a different institution, please be sure to use Transferology to confirm course(s) will transfer:

<https://www.transferologylab.com/index.htm>

\*Need to find course equivalent to MATH340.

\*\*\*Please note, courses are subject to re-evaluation and/or consideration by the teaching department. Students interested in going abroad must clear plan with academic advisor.
