8:00 a.m. – 9:00 a.m.
Grand Ballrooms

Welcome and Admissions Overview
9:00 a.m. – 9:35 a.m.
Grand Ballrooms

Academic Session #1 • 9:45 a.m. – 10:15 a.m.

- Mechanical Engineering • North Ballroom
- Chemical & Biological Engineering • Room 372-374
- Civil Engineering • Room 386
- Environmental Engineering • Room 324
- Electrical & Computer Engineering • Room 382
- Biomedical Engineering • Cherokee Park Ballroom
- Engineering Open Option • Room 376-378

Academic Session #2 • 10:30 a.m. – 11:00 a.m.

- Mechanical Engineering • North Ballroom
- Chemical & Biological Engineering • Room 372-374
- Civil Engineering • Room 386
- Environmental Engineering • Room 324
- Electrical & Computer Engineering • Room 382
- Biomedical Engineering • Cherokee Park Ballroom
- Engineering Open Option • Room 376-378

Student Panels • 11:15 a.m. – 11:45 a.m.

- “Ask An Engineer” Student Panel • Room 382
- Engineering Co-Ops and Internships • Cherokee Park Ballroom
- Senior Design Projects • North Ballroom
- Real Talk: Women, LGBTQIA+, & Students of Color in Engineering • Room 386

Afternoon Schedule and Session Information

ENGINEERING EXPLORATION DAY

Saturday, February 19, 2022
Lory Student Center

Lunch

12:00 p.m. – 12:45 p.m.
Grand Ballrooms

Afternoon Breakout Session #1 • 1:00 p.m.-1:30 p.m.

Engineering Building Tour • Leaving from Engineering Building Room 100

Scott Building Tour • Leaving from Scott Bioengineering Building Atrium

Scott Building Tour - Spanish

• Leaving from Scott Bioengineering Building Atrium

Engineering Abroad • Lory Student Center Room 382

Academic Village Tour • Meet at Academic Village Commons

The MECH Research Experience • Engineering Building Room 120

Civil and Environmental Engineering Lab Tour

• Meet in the Engineering Building Outside Room 100

Electrical and Computer Engineering Projects

• Engineering Building Room B106 (BC infill)

Need to get around campus?

Scan this code for the campus map.

Afternoon Breakout Session #2 • 1:45 p.m.-2:15 p.m.

Engineering Building Tour • Leaving from Engineering Building Room 100

Scott Building Tour • Leaving from Scott Bioengineering Building Atrium

Engineering Building Tour - Spanish

• Leaving from Engineering Building Room 100

Academic Village Tour • Meet at Academic Village Commons

Mechanical Engineering and Aerospace - My Favorite Lecture: Rockets

• Engineering Building Room 120

Civil and Environmental Engineering Lab Tour

• Meet in the Engineering Building Outside Room 100

Electrical and Computer Engineering Projects

• Engineering Building Room B106 (BC infill)

Biomedical Engineering Tools Lab

• Scott Bioengineering Building - Biomedical Teaching Lab (2nd floor)

Need to find your way around the Lory Student Center?

Scan this code for the Lory Student Center map.

Afternoon Breakout Session #3 • 2:30 p.m.-3:00 p.m.

Engineering Building Tour • Leaving from Engineering Building Room 100

Scott Building Tour • Leaving from Scott Bioengineering Building Atrium

Academic Village Tour • Meet at Academic Village Commons

Biomedical Engineering FAQ Forum • Scott Bioengineering Building Room 101
