

Pre-Orientation Checklist

Visit www.engr.colostate.edu/orientation for further information.

1

Complete the Math Placement Tool

All Engineering students are required to complete the Math Placement Tool by **May 31**.

Visit placement.math.colostate.edu/welcome/directory.html to access review materials and the Math Placement Tool link. If you did not place out of MATH 117- MATH126, complete the Pre-Calc Tutorial.

2

Complete all ChemPrep Modules

ALL ChemPrep modules are required for all incoming Engineering students, except for Computer Engineering students. Find more ChemPrep information at www.chem.colostate.edu/undergraduate-students/chem-prep/.

Give yourself plenty of time! There is a 48-hour waiting period for Chem Prep completion to show up in the CSU student information system.

3

Prepare for registration with RAMweb "How To" videos

Learn the basics of RAMweb registration by watching this YouTube playlist of short advising videos. Visit the playlist at https://www.youtube.com/channel/UCUo01_KUtO4mQNDIlrMHIZg/videos.

4

Are you ready for CO150?

If applicable, gather your ACT, SAT, TOEFL, IELTS, or PTE scores and visit the placement website at composition.colostate.edu/students/placement to determine if you are ready for CO150.

Take Directed Self Placement (DSP) if needed.

5

Create your ETS account

Visit www.engr.colostate.edu/ets to create your Engineering Technology Services (ETS) account. This will allow you to log in to campus computers and access important software tools.

Questions?

Contact our team at engr-orientation@colostate.edu

6

Make sure you are Registration Ready

Log in to ramweb.colostate.edu and complete the Registration Ready steps in the center window.

7

Send in your final official transcripts and exam scores

We encourage all incoming students to send their final transcripts and scores from Spring 2022 to Colorado State University as soon as they are available. This includes official high school and dual enrollment/college transcripts, official copies of AP/IB exam scores, and any other final grades/exam scores.
