CSU-EMEC CARD READER ACCESS Agreement

I, ______________________________, understand that any of the following actions will result in IMMEDIATE revocation of CSU-EMEC card reader access.

Read carefully and initial each line.

___ Arguing with the EMEC instructor, GTAs, or work studies regarding safety practices, proper machine use, or MIL policies

___ Allowing non-certified persons to utilize EMEC equipment during unsupervised hours

   Non-certified persons are permitted in the EMEC during unsupervised hours to satisfy the “Two-Person Rule”.

___ Failing to observe the “Two-Person Rule”

___ Propping open ANY of the EMEC doors during unsupervised hours, including the west entrances

   Open doors during unsupervised hours allow access by non-certified persons, creating a liability and potential safety hazard for the facility and all other persons present.

___ Consuming alcoholic beverages or other controlled substances, or being under the influence of said substances

___ Operating any equipment for which formal instruction has not been received

___ Operating any equipment in a manner which results in an unsafe working environment for any person present in the EMEC

___ Willful disregard for any other EMEC safety rules, policies, facilities, or personnel

Upon revocation of CSU-EMEC card reader access, a request for renewal must be submitted in writing to the EMEC instructor, to be approved solely at the discretion of the EMEC instructor. Habitual offense will result in further disciplinary action, up to and including permanent expulsion from the EMEC facility.
